On the Dates of G. W. F. Panzer's 'Fauna Insect. German.,' 1792–1844. By C. Davies Sherborn.

(Published by permission of the Trustees of the British Museum.)

In 1896, when preparing vol. i. of 'Index Animalium,' I dealt with Panzer, collating the first and second editions with E. Saunders's 'Index' (London, 1888). Then and ever since I have searched in all directions for clues to the dates of issue of the parts of edition i., and have been so far successful as to get a workable result. This is here tabulated for use and correction when anyone else takes the matter up.

The principal sources from whence these dates have been obtained are Allgem. Lit. Zeit.; Meyer's Zool. Annalen; Götting. gelehrte Anz.; Beckmann's Phys. Oek. Bibl.; Wiegmann's Archiv f. Naturges.; Panzer himself, Germar, Walckenaer, Treitschke, and many other authors and publications, quotations from which here would not advance the matter further, but merely cumber the issue.

The dates in [ ] are not absolutely exact, but can be relied on for all practical purposes:—
